# Reunion Survey

You are receiving this newsletter because we discovered that you are a descendent of Frank and Anna (Molitor) Bittner. You may have known little about your ancestors, and even less about their brothers' and sisters' families. We want to create an opportunity for long-lost Bittner relatives to meet, so we would like to know whether you are interested in a Bittner family reunion. This would likely be a once-in-a-lifetime event and would provide a chance to connect with the past while getting to know your present cousins. We would also provide additional family history information in greater detail than we could publish here. To help us determine where, when, and if a Bittner family reunion is feasible, please fill out the following survey:

1. If a family reunion were planned for all descendents of Michael and Theresa Bittner at a place and time convenient for you, how interested would you be in attending?  
 Not Interested    Somewhat Interested    Very Interested
2. If such a reunion were held in Minnesota, how likely would you be able to attend?  
 Not Likely    Somewhat Likely    Very Likely
3. If a reunion were planned, when would be the best date?  
 Summer 2001    Fall 2001    Spring 2002    Summer 2002    Any Date
4. What would most likely prevent you from being able to attend such a reunion?

## What do you think of this newsletter, *Legacies*?

We are considering making *Legacies* a semi-annual newsletter. Future issues would include the following:

- More detailed histories of each branch of the family tree
  - Family stories and anecdotes
  - Research updates and photos
1. The cost of printing and mailing two issues per year is about \$4.50 (U.S.) per household. Would you be interested in continuing to receive this newsletter for a \$4.50 annual subscription?  
 Yes    No    Maybe  
*(NOTE: Do not send any subscription fee with this form. You will be contacted again if responses to this survey indicate there is sufficient interest to continue this newsletter.)*
  2. Are there any other types of information you would like to see included in this newsletter? Please specify.
